Presents

“CODE” DICTION **(Coding Contest)**

Do you crave for some brain-crunching coding? Then this event will provide you a platform to showcase your programming skills. The challenge invites programmers to battle out their coding chops and show off their competitive programming skills. Break the code through its unique array of comprehensive problems, puts the contestants through a gruesome test, the faster you can think to tackle real world programming problems, better your chances to win.

About the event:

All the participants will be given programming problem(s) which will require some tricky complex algorithm to solve. The questions can be solved in any programming language. Participants must code the solution in the lab only

Rules and Regulations:

1. The registration will be done online.
2. Participation fee is 70 per head.
3. Use of mobile phone and tablet, notes or any unfair means will lead to straight disqualification.
4. The contest will consist of some problems for which you will be required to take input from the console and generate standard input/output.
5. This is a group event.
6. Maximum no. of participant in the group is 2.
7. All teams have to participate in the qualifier round which will be held on the first day of tantrafiesta.

8. Maximum five teams will qualify for the second round that is final round of the event to be conducted on second day of tantrafiesta.
9. The decision of judges will be final and binding .Any in disciplinary act will lead to straight disqualification.
- 10.For Final Round, solutions with better algorithm in terms of time complexity, coding ethics etc., will be given preference.
11. Rank List for the qualification round will be prepared by the scores provided by HackerRank.
- 12.Participants must bring the college ID cards without fail during competition.
13. The organizing Committee reserve the right to change the venue, time and rules if desired.

NOTE: In case of any discrepancy, decision made by the team “TantraFiesta 2k18” will be final.
